

Declaring a Major in CNR (For Non-CNR Students)

- All major requirement courses must be taken for a **letter grade**. **CNR majors require a minimum 3.0 cumulative GPA to transfer into CNR. Positive increase in GPA for major requirements over time will be taken into consideration for students who do not meet the 3.0 GPA mark.** Students must be in good academic standing (not on academic probation, subject to dismissal, or term probation in the semester they want to declare).
- Both halves of Reading and Composition (R1A & R1B) **must** be completed by the end of the **4th semester**.
- Current U.C. Berkeley students who entered as **freshmen** are expected to be able to graduate in a total of 8 semesters (summers excluded). Exceptions are rarely granted. **Participation in FPF is considered a Berkeley semester under CNR policy. Students are not eligible to transfer in undeclared or with senior standing (non AP).**
- Transfer students** wishing to change colleges must meet with the major advisor for specific guidelines. Students may be eligible after completing one semester at UC Berkeley. Students must meet all lower division requirements, have a GPA above 3.0, and be on track to graduate in a total of 4 semesters at UC Berkeley.

Minimum Requirements Needed to Declare, by Major

- Indicates the **minimum** requirements needed to declare. Students with higher standing level/units are expected to be on track.
 ▶ Indicates strongly preferred if completed and could be requested if core prerequisite GPA is low.
 * Indicates major with an application deadline. See deadlines on reverse.

- ✓ Students should refer to major snapshots for a complete list of major requirements and meet with the major advisor about declaring the major.
- ✓ To declare, you must complete the "Change of College, Major, or Curriculum" petition, print a copy of your unofficial transcripts, and meet with the appropriate major advisor.

***ESPM majors (FNR, S&E, MEB): Fall application deadline is October 1st; Spring application deadline is March 1st.**

***CRS: All application materials are due at the end of ESPM 90 (Friday of the 8th week of every semester).**
