- **Fundraising efforts**
- **Another golf tournament is right around the corner**
- **Getting the Urban Center off to a start**
- **Meet the team members**

Re-Cap: 2007 Fundraising Golf Tournament

The number of players, sponsor's support, and funds raised for the UC Berkeley Urban Pest Management Center (UPMC) exceeded our expectations! A special thanks to PCOC and the volunteers that made the day possible. We truly appreciate all your hard work! And what would a tournament be without the sponsors and players. Thank You!!

Our Facility: UC Berkeley's Richmond Field Station

The UPMC is located at the University of California, Berkeley, Richmond Field Station in Richmond, California. The Center occupies offices, laboratories, and teaching facilities. A field testing facility, the Villa Termiti, is available for evaluating urban pest control technologies. The UPMC also has extensive back up support in general and specialized equipment, laboratories, libraries, computer facilities, and meeting rooms.
